

Myaree Car Hire Airport Service

Myaree Car Hire has developed a relationship with Skypark Valet Parking as a means for our airport customers to collect and return vehicles at a location near to the airport. **This service is strictly only available to customers flying in or out of Perth's Domestic or International terminals.** Pickups and returns are not permitted at Skypark as a means of convenience. Forty eight hours notice is required for the use of Myaree Car Hire's airport service as all documentation must be provided before delivery of the vehicle to Skypark's premises. Without the required information vehicles will not be delivered for customer pick up. The airport service fee is \$45 each way (i.e. for only a pick up or drop off a one off \$45 fee applies. If you would like to pick up and return at Skypark a \$90 fee will apply - \$45 each way).

All vehicles except removal trucks can use the airport service.

Skypark Valet Parking is located at 472 Great Eastern Highway (Cnr Fauntleroy Ave) Ascot, WA (approx. 5mins drive form the Domestic terminal and 10mins from International Terminal). Skypark is open from 04.30am through to 00.30am, 7 days a week. If you are flying out of these times arrangements can be made to suit your requirements. PH: +61 08 9277 9566.

Perth Domestic Airport Procedure

Vehicle Pick Up on Arrival

Upon your arrival make your way outside the terminal and board the Skypark Shuttle Bus Service. The bus will be located between the Qantas and Virgin Terminals at Area C of the passenger pick-up set-down area in the bus lane. If the bus is not parked waiting for your arrival it shouldn't be too far away, but if you are waiting for some time please call the Skypark Office on +61 08 9277 9566 to confirm your arrival. The shuttle bus will take you to the premises where your vehicle is being stored, approximately five minutes drive from the terminal. When you arrive all you need to do is show the Skypark staff your Driver's License to verify your details. You will then be handed your rental agreement documents along with a vehicle inspection report. This report notes existing damages on the vehicle you are about to hire. Please take the time to look around the vehicle to check all major damages have been noted. Please advise Skypark if you wish to note further damages found on your inspection. Once you are happy with the condition of the vehicle jump in and drive away.

Note: In the event of any confusion in regards to picking up your hire vehicle Skypark staff are available to help on +61 08 9277 9566 or call Myaree Car Hire on +61 08 9330 8848.

Vehicle Drop Off on Departure

All vehicles are to be returned back to Skypark Valet Parking located at 472 Great Eastern Highway (Cnr Fauntleroy Ave), Ascot (see link above). The Skypark staff will then take you back to the terminal in the Skypark Shuttle Bus to catch your flight. Under no circumstances are vehicles to be returned directly to the Domestic terminal. Please be sure to have your vehicle returned to Skypark a minimum of one hour before your flight to avoid any delays.

Myaree Car Hire must be advised of any changes to your drop off time and or day to ensure Skypark has the correct up to date information.

Please advise Myaree Car Hire if you wish to return a vehicle to Skypark which hasn't already been pre-arranged.

Note: Customers with young children please be aware the Skypark Shuttle bus is not equipped to be fitted with a child seat(s) and or restraint(s). In this circumstance the nominated driver will be driven to the holding yard to collect the hire vehicle and then will have to return to the airport terminal to collect the remainder of the travelling party. On return please be sure the main driver is the only one returning the vehicle to Skypark and all other members of the group have been dropped at the terminal beforehand. This procedure also applies to large groups travelling together.

Perth International Airport Procedure

Vehicle Pickup on Arrival

Upon your arrival make your way to the arrivals hall and wait alongside the Money Exchange counters. You will need to call the Skypark Shuttle Service on +61 9277 9566 to confirm you are ready for pick up. The shuttle bus will come and collect you approximately ten minutes after your call. A Skypark staff member will come and collect you from inside the terminal. Board the shuttle bus for a short drive to where the vehicle is being stored. When you arrive all you need to do is show the Skypark staff your Driver's License to verify your details. You will then be handed your rental agreement documents along with a vehicle inspection report. This report notes existing damages on the vehicle you are about to hire. Please take the time to look around the vehicle to check all major damages have been noted. Please advise Skypark if you wish to note further damages found on your inspection. Once you are happy with the condition of the vehicle jump in and drive away.

For vehicle Pickups after 11pm ONLY

On your arrival please make your way to the Red Spot Car Rental desk inside the terminal where staff will advise where your vehicle is being held and arrange your collection.

Note: In the event of any confusion in regards to picking up your hire vehicle Skypark staff are available to help on +61 08 9277 9566 or call Myaree Car Hire on +61 08 9330 8848.

This procedure also applies to large groups travelling together.

Please Note:

Myaree Car Hire has developed a relationship with Skypark Valet Parking as a means for our fly in fly out customers to collect and return vehicles at a location near to the airport.

Please be aware Skypark Valet Parking **IS NOT** in any way a part of Myaree Car Hire. Vehicles hired through Myaree Car Hire will not be checked out or in by Skypark Valet Parking Staff. Skypark is a service strictly for picking up and returning our customers to the Perth Airport Terminals.

Vehicles returned to Skypark are still on hire until inspected by a Myaree Car Hire Staff member on site at Skypark Valet Parking (Note: final inspections may not be carried out on the day of return, but will be carried out as soon as possible). The contract between the renter and Myaree Car Hire is still running until a final inspection has been completed by **Myaree Car Hire Staff ONLY**, hence any new damages found on the vehicle from the start of a rental through to the final inspection is the responsibility of the renter. All final inspections will be carried out on the Skypark premises before departing for the Myaree Car Hire Depot.

If you have any concerns or questions in relation to the airport/pick up and drop off arrangement between Myaree Car Hire and Skypark Valet Parking please feel free to contact Myaree Car Hire on +61 08 9330 8848 where staff will be more than happy to answer your questions.
